INTERMEZZO

STORY OF BAR INTERMEZZO

Bar Intermezzo has long been renowned as a gathering place where guests are welcomed with great hospitality, and where a classic selection of cocktails, beers, and drinks, are paired with sumptuous bar bites, appealing to Orchard Hotel Singapore's diverse guest profiles.

The bar is a place where it tributes the history of people from different background coming together to enjoy what life has to offer. From the humble beginnings of the lower class livelihood from Orchard's plantation history to the upper class of the expatriates that brought forth the influence in its early days.

The unique wall murals spreading across the bar portray the Great Gatsby Era during the early 1920s, also nicknamed as the "Jazz Age". It refines and encompasses the bar lounge image, fitting the era where free, expression, and individuality are celebrated. Live and Jazz music nights, are also incorporated within the bar to further express its personality.
