★ SALA DE CIGAR ★

Welcome to Sala De Cigar, a chic-modern & casual
ambiance lounge that reflects traditions and
flavorful moments.

The history of cigars remains a mystery.
Although many attribute the first cigars to the
Mayan culture, they took dried tobacco and
rolled it in plantain leaves for medicinal purposes,
religious ceremonies, and offerings to their gods.

In the late 16th century, Native Americans showed
Christopher Columbus and his lieutenants how to
smoke the leaves. The habit soon became popular
among Spanish colonials, who exported knowledge
and the tobacco plants back to Europe, transforming
it into a culture that has spread around the world.

Welcome to a place of tradition, culture, and style.
