Studio M Al Barsha is a chic urban hotel brand that is part of the Millennium Hotels & Resorts. Studio M Al Barsha provides thoughtful, well designed spaces with the “cool” factor combined with stylish, high quality rooms and integrated fuss-free technology. It’s the hotel you would have designed... for you!

### Hotel Location

In the heart of Al Barsha and within walking distance to the Mall of the Emirates, Studio M Al Barsha lives, breathes and feels the pulse of this lively neighborhood. The Nearest metro station is Mall of Emirates – your ticket to ride anywhere in the city. The hotel is in close proximity to Jumeirah Beach, Media City and ‘Alserkal Avenue - District for arts and culture.

**Hotel Features**

The stylish and contemporary Studio M Al Barsha offers 155 rooms designed with integrated technology for both business and leisure travelers. Studio M Al Barsha provides everything that is required for a perfect hotel experience and none of the things that aren't.

**Food & Beverage**

Hello Grab 'N Go, located in the lobby is the key element of Studio M Al Barsha. It provides an innovative and convenient way to dine in or out. A range of freshly prepared and pre-packaged foods are available in specially designed refrigerated units. Level M on the mezzanine is your space to grab a hearty breakfast, or spend some quiet time catching up on work. A café, a multi-functional work space to create or collaborate.

**Room Features**

Urban rooms at Studio M Al Barsha are home away from home. Innovative and functionally designed elements ensure you have a relaxing, seamless experience and comfortable sleep. Rooms come with either a king or 2 single beds, and are filled with only the things you need, including a safe box, mini fridge, 43" smart TV, and free Wi-Fi.

**Leisure**

Head to the top floor burn those unwanted carbs. Give some time to yourself with either a cardio or strength workout, with views towards the stunning Burj Khalifa skyline, or take a dip in the temperature-controlled rooftop pool.
