# Event Legacy

Do you like the idea of your event leaving a legacy? Knowing that your event can contribute to meaningful change in both the community and environment? Millennium Hotels and Resorts work with two great organisations; Save the Kiwi to help protect our national icon; the kiwi and Good Bitches Baking who spread kindness for those facing tough times.

## Save the Kiwi

Every little bit counts towards creating a sustainable future and that's why we're offering a unique way for you to contribute towards providing a meal for our national icon; the kiwi.

Choosing not to have your room serviced during an event helps us to conserve water and energy resources that will be redirected towards helping provide kiwi chicks a safe place to sleep and grow until they reach the all-important 'stoat-proof' weight of 1kg.

For every five rooms that are not fully serviced, we will donate one bed for a kiwi at the Save the Kiwi crèche in Napier on behalf of your organisation.

## Activities & Attractions

Having the ultimate experience is one of the most effective ways to reward and inspire your delegates on conference. From team building to partner and touring programs, our conference team will enhance your whole meeting experience with our innovative ideas and impeccable service tailored to suit your group and budget.

Dubbed the 'City of Sails', Auckland is a vibrant, modern city that offers something for every conference or event. For adventure enthusiasts Auckland offers a wide variety of activities including sailing on the harbour, boat cruises of the outer islands, snorkeling, scuba diving, biking, surfing, bungy jumping and bridge climbing to name a few. For those delegates who enjoy getting away from the busy city life, there are countless walks which take you past the many beaches in the area. Auckland's cultural icons such as the Auckland Domain, the museum, the Auckland Art Gallery and One Tree Hill can be incorporated into your conference and make unique out-catering venues.
