Event Legacy

Do you like the idea of your event leaving a legacy? Knowing that your event can contribute to meaningful change in both the community and environment? Millennium Hotels and Resorts have partnered with Save the Kiwi, to give you the opportunity to help protect our national icon, while integrating manaaki (care and hospitality) into your next conference.

Save the Kiwi

Every little bit counts towards creating a sustainable future and that's why we're offering a unique way for you to contribute towards providing a meal for our national icon; the kiwi.

Choosing not to have your room serviced during an event helps us to conserve water and energy resources that will be redirected towards helping provide kiwi chicks a safe place to sleep and grow until they reach the all-important 'stoat-proof' weight of 1kg.

For every five rooms that are not fully serviced, we will donate one bed for a kiwi at the Save the Kiwi crèche in Napier on behalf of your organisation.

Activities & Attractions

With so much to do and see in such spectacular surroundings, it's easy for your delegates or incentive qualifiers to experience it together when conferencing at Copthorne Hotel and Resort Bay of Islands.
