Event Legacy

Do you like the idea of your event leaving a legacy? Knowing that your event can contribute to meaningful change in both the community and environment? Millennium Hotels and Resorts have partnered with Save the Kiwi, to give you the opportunity to help protect our national icon, while integrating manaaki (care and hospitality) into your next conference.

Save the Kiwi

Every little bit counts towards creating a sustainable future and that's why we're offering a unique way for you to contribute towards providing a meal for our national icon; the kiwi.

Choosing not to have your room serviced during an event helps us to conserve water and energy resources that will be redirected towards helping provide kiwi chicks a safe place to sleep and grow until they reach the all-important 'stoat-proof' weight of 1kg.

For every five rooms that are not fully serviced, we will donate one bed for a kiwi at the Save the Kiwi crèche in Napier on behalf of your organisation.

Activities & Attractions

Your conference or event can be more than just a way to meet – it can also be a reward, a learning experience or a chance to celebrate. Our conference and incentive team are here to make it easy and fun to get down to business.

Black sand surf beaches, parks and gardens, art galleries and hip cafes have gained New Plymouth a worldwide reputation. Framing the city, Mt Taranaki draws hikers to its scenic trails.

From New Plymouth's award winning walkway, fabulous Pukekura Park, renowned Govett-Brewster Art Gallery (home of the Len Lye Centre), the striking landmark Puke Ariki Museum to the ever changing views of Mt Taranaki, you will remember your visit with pleasure.

Out of the city centre the Pukeiti Rhododendron Gardens, Sugar Loaf Island and Marine Park and the local beaches make it easy to get back to nature.

From team building and incentive trips to partner and touring programs, we will create the ultimate experience for your group.
