Event Legacy

Do you like the idea of your event leaving a legacy? Knowing that your event can contribute to meaningful change in both the community and environment? Millennium Hotels and Resorts have partnered with Save the Kiwi, to give you the opportunity to help protect our national icon, while integrating manaaki (care and hospitality) into your next conference.

Save the Kiwi

Every little bit counts towards creating a sustainable future and that's why we're offering a unique way for you to contribute towards providing a meal for our national icon; the kiwi.

Choosing not to have your room serviced during an event helps us to conserve water and energy resources that will be redirected towards helping provide kiwi chicks a safe place to sleep and grow until they reach the all-important 'stoat-proof' weight of 1kg.

For every five rooms that are not fully serviced, we will donate one bed for a kiwi at the Save the Kiwi crèche in Napier on behalf of your organisation.

Activities & Attractions

Your conference or event can be more than just a way to meet – it can also be a reward, a learning experience or a chance to celebrate. Our conference and incentive team are here to make it easy and fun to get down to business.

We proudly claim that Rotorua captures the best of New Zealand all in one place. If adventure is what it takes, Rotorua has many attractions to get the adrenalin flowing; everything from skydiving and luging to zorbing and some of New Zealand's best mountain bike circuits. And for those delegates who like pampering, rejuvenate tired bodies and minds in relaxing geothermal mud baths and natural hot springs.

Enjoy Maori cultural performances, taste a traditional hangi feast or witness geothermal wonders such as bubbling champagne hot pools or marvel at geysers erupting 30m into the air. Known as a big trout fishing area, enjoy fishing on the lakes and tributary rivers all within 40 minutes' drive from the centre of town.

From team building and incentive trips to partner and touring programs, we will create the ultimate experience for your group.
